

Type Certified Equipment for Monitoring Aerodrome Pavement Condition

17.07.11

<i>Ser. NoNo</i>	<i>Designation (name) of equipment</i>	<i>Marking of equipment</i>	<i>Issued to</i>	<i>Number of Certificate</i>	<i>Date of issue</i>	<i>Remarks (Notes)</i>
1	Surface Friction Tester T-10 with computer Mk IV ser.-N?512 and software, version 5.00	T-10	Airport Surface Friction Tester AB Company, Sweden	366	11.10.04	Special limitations
2	Automated information and measuring System "MeteoTrassa" with special software and operating system Windows XP-Professional	ИТАВ.416311.014	Closed JSC "Institute of Radar Meteorology", Russia	446	16.08.07	Special limitations
3	Aerodrome electromechanical vehicle for friction measurement and recording on paved runways AT-ЭМ with the software composed of: - for ACU: SAU.EXE Special software with MS DOS 6.22 operational system; - for friction measurement and processing unit: Special software – BIOVPP.EXE, INIT.DAT, THRESHLD.DAT, OPERATOR.TXT, LASTNUMB.DAT, COEFF.TXT with MS DOS 6.22 operational system; - for operator working place: Special software – ohesiofactor.exe, Customize.dll, stripe.cst, Koord.cfg, abonent.mdb, friction coefficient mdb, "Map".jpg with Windows XP-Professional operational system	ЕКЖБ.468331.002	Open JSC "NIOKP "Planeta", Russia	452	21.04.08	Special limitations
		ЕКЖБ.468331.002 ЕКЖБ.434153.001 ЕКЖБ.468331.003		Addition No. 1 to Certificate No.452	10.08.09	Special limitations
4	Surface friction tester ИКС-1 with the Software, including: - for control cabinet: special software; - for control and indicator panel: MS DOS 6.22 operational system, and special software including att4_v11.exe, ATT4DATA, BGI, MAPS, 1.map, SETUP, att4name.tel, att4main.tel, att4prob.tel, att4set.tel, PLATFORM, att4plat.tel, D_SETUP, att4dm.tel, att4dt.tel, ATT4PROT, keyrus.com	КАТЛ.68331.001 КАТЛ.00002-01 (C164, H86) КАТЛ.00001-11	LLC "IC "Sozvezdie", Russia	483	25.06.09	Special limitations
		КАТЛ.468331.001 КАТЛ.468331.002		Addition No. 1 to Certificate No.483	16.04.10	Special limitations

	<p>Surface friction tester ИКК-1 with Siemens 1FK7103-5AF71-1AA2 brake generator in towed electromechanical vehicle, with the Software, including:</p> <ul style="list-style-type: none"> - for control cabinet: special software; - for control and indicator panel: MS DOS 6.22 operational system, and special software including att4_v12.exe, ATT4DATA, BGI, MAPS, 1.map, SETUP, att4name.tel, att4main.tel, att4prob.tel, att4set.tel, PLATFORM, att4plat.tel, D_SETUP, att4dm.tel, att4dt.tel, ATT4PROT, keyrus.com 	<p>CATЛ.68331.001 CATЛ.468331.002</p> <p>CATЛ.00002-01 (C164, H86) Vers. 1</p> <p>CATЛ.00001-11 Vers. 1</p>		<p>Addition No. 2 to Certificate No.483</p>	<p>11.11.10</p>	<p>Special limitations</p>
5	<p>ASFT Industries AB (Sweden) Surface friction tester</p>	<p>Model ASFT SAAB 9-5 Wagon CFME</p>	<p>Open JSC "International Airport Sheremetyevo", Russia</p>	<p>520</p>	<p>27.12.10</p>	<p>Special limitations (only for this VIN No. YS3EB59E66352286)</p>
